

Following our Saturday meeting we will have a HF station on 20m antenna setup for anyone that wishes to operate the SES. We are the host club for this event so please make plans to operate if you can spare the time or just want to do it. We have the following slots available depending on the mode you wish to operate with:

W5C/D Dallas

1700 UTC SSB

1800 UTC SSB

1900 UTC CW

2000 UTC Digital

W5C/H Houston

2100 UTC SSB

2200 UTC CW

2300 UTC Digital

All of these times are assigned to us for 20m, please subtract 5 hrs for actual CST times;

We also have some slots available on June 27th if you just can't do this Saturday.
